Learn To Windsurf

COMPREHENSIVE (6) HOUR TRAINING PROGRAM FOR BEGINNERS ONLY \$110

- ◆ Friendly atmosphere
- ◆ Knowledgeable Instructors
- ◆ Over ten years of teaching experience
- ◆ Safe inland waters with mild on-shore winds
- ◆ Boards, sails, and warm wetsuits provided
- ◆ Students please bring your own shoes or booties

All students will receive a internationally recognized certification and preferred customer status card

California Windsurfing makes it easy to learn. We provide expert instruction using land simulation and stable boards with small sails. Our friendly Instructors accompany the class on the water to provide more individualized attention. Our beginning course is taught over a two consecutive day period in two three-hour sessions. The course covers all the basics of light air sailing.

Classes are by appointment only and subject to Instructor availability.

Windsurfing lessons require a nonrefundable deposit of \$40 for each student reserving a space for a class. Full payment in CASH is required prior to beginning of the lesson. Lesson sessions are taught in two 3 hour session over two consecutive days. In the event the student's cannot schedule two consecutive days the second day session will be reschedule at the instructors option. All sessions must be completed within the season which they began.

Due to our remote location

NO CREDIT CARDS CAN BE ACCEPTED
